We are one with the sun, warming our neighbors, lighting the way.

(c) 1997 Michael Mauldin & Penny Raife Durant
wind, ocean, the wind caressing the moving uplifting

trees, waves, and clearing the air.

We are one with the mountain, strong, un-

We are one, we are one, we are one, we are one,
changing from generation to generation, sentinels, ration,
we are one, we are one, we are one, we are one, one, we

we are generation, to generation sentinels.
are one, we are one, we are one.

We are one with the desert,
vast and
co-lor-ful, proud and swept by the winds of time.

we are one with the for-est, a-live, re-

we are one. We are,

plen-ish-ing, a home for the wolf and the fawn.

we are one.
1. We are one, we are one with the ri-ver.
2. We are one, we are one with the ebb-ing.
1. & 2. We are one, we are one with the ri-ver, the ri-ver, the ri-ver, the
