PART IV - TIME FOR SOME ARTWORK!

On the next two pages, you will be asked to do some drawings. Before you begin to draw each picture, please close your eyes and see if you can imagine a "scene" or a view. Then draw a picture that shows what you saw in your mind.

The picture does not have to be fancy. Just draw a quick sketch with your pencil and then color it in with your crayons.

If you would like to "explain" your drawing, use the "comments" area on the the right side of each page. Be sure to borrow crayons from your classmates if you don't have all of the colors you need. Have Fun!

Draw a picture of some visitors who have come to Jamaica from far away.

If you would like to explain your drawing, use this space.

I made a mistake by doing this, it is because when I read around the other page and it told me that any thing come to my mind I should draw and the tree come to my mind so I draw it

Do you want to make any comments about this drawing?

Draw a map that shows Jamaica. It can be any kind of map as long as it includes Jamaica.

I can't get no space to draw the map so I draw it little, and when I draw it little it does not draw good

Your comments:

This man was  
Brazil best  
soccer football  
player is  
name is Pele  
He is a black man.  
The space is  
to little so  
I could not  
draw is feet  
better.

see  
prev. page

What was life like for Jamaican people 200 years ago?  
Close your eyes and see if you can imagine a scene  
from the year 1786.

Your comments:

The world would  
be war, black  
man would be  
slave again,  
brother and sister  
will fight, white  
man a kill black  
man, black a  
kill black

For this one, you can really let your imagination  
run wild! What do you think Jamaican life will be  
like 200 years from now? Please explain your  
drawing in the "comments" area. You may even want  
to lable the parts of your drawing.
