PART IV - TIME FOR SOME ARTWORK!

On the next two pages, you will be asked to do some drawings. Before you begin to draw each picture, please close your eyes and see if you can imagine a "scene" or a view. Then draw a picture that shows what you saw in your mind.

The picture does not have to be fancy. Just draw a quick sketch with your pencil and then color it in with your crayons.

If you would like to "explain" your drawing, use the "comments" area on the right side of each page. Be sure to borrow crayons from your classmates if you don't have all of the colors you need. Have Fun!

If you would like to explain your drawing, use this space.

Draw a picture of some visitors who have come to Jamaica from far away.

The drawing is  
of a person  
with a yellow  
shirt and a red  
square.

Do you want to make any comments about this drawing?

Draw a map that shows Jamaica. It can be any kind of map as long as it includes Jamaica.

Your comments:

It is a scene  
of a plantation  
on the  
plantation.

What was life like for Jamaican people 200 years ago?  
Close your eyes and see if you can imagine a scene  
from the year 1786.

Your comments:

It is a scene  
of a plantation  
on the  
plantation.

For this one, you can really let your imagination  
run wild! What do you think Jamaican life will be  
like 200 years from now? Please explain your  
drawing in the "comments" area. You may even want  
to label the parts of your drawing.
