On the next two pages, you will be asked to do some drawings. Before you begin to draw each picture, please close your eyes and see if you can imagine a "scene" or a view. Then draw a picture that shows what you saw in your mind.

The picture does not have to be fancy. Just draw a quick sketch with your pencil and then color it in with your crayons.

If you would like to "explain" your drawing, use the "comments" area on the the right side of each page. Be sure to borrow crayons from your classmates if you don't have all of the colors you need. Have Fun!

If you would like to explain your drawing, use this space.

Do you want to make any comments about this drawing?

It is a world map

Your comments:

The man is going to hunt.

What was life like for Jamaican people 200 years ago? Close your eyes and see if you can imagine a scene from the year 1786.

Your comments:

The man you see is a plocu man flying and stopped the rocket and let the flying car go.

For this one, you can really let your imagination run wild! What do you think Jamaican life will be like 200 years from now? Please explain your drawing in the "comments" area. You may even want to lable the parts of your drawing.
