What was life like for Jamaican people 200 years ago?  
Close your eyes and see if you can imagine a scene  
from the year 1786.

Your comments:

life was easy  
for Jamaicans  
they go to shop  
and buy many  
things. If come  
home and relax,  
because the things  
in those days was  
cheap and life  
was very easy.

Your comments:

Jamaica life  
will be very  
hard 200 years  
from now people  
will be starving  
because things are  
expensive to buy.

For this one, you can really let your imagination  
run wild! What do you think Jamaican life will be  
like 200 years from now? Please explain your  
drawing in the "comments" area. You may even want  
to label the parts of your drawing.
