

PART I - SOME INFORMATION ABOUT ME

I am a 10 year old boy/girl (circle one).

I live in the district of [REDACTED], which is near/in (circle one) the town of [REDACTED]. I travel 1 miles to school each day.

When I am not in school, I spend my time doing these things...

[Please list as many kinds of activities as you can. Use the back of this sheet if you need more writing space.]

I go to the shop, wash the dishes, play baseball, sweep the house, clean my church and school shoes, bathes my little brother, wash my socks.

The things I most enjoy doing are... doing English and science, watching cartoons and video comedies, washing, going to fairs, going to the beach and playing Scrabble.

The things I least enjoy doing are... doing mathematics, running, being teased and having my hair creamed.

When I grow up, I am going to... be a ballet dancer or a nurse and have two children and live in a four bedroom house.

Someone I really admire is my mother. I admire this person she because... she is kind but stern, loving, caring and is always there when you need her and does not look out for herself only.

If I had a lot of money, I probably would... buy my mother a new house and new furniture a new car, put some of the money in the bank and give some of the money to the orphanage homes.

PART II - SOME INFORMATION ABOUT JAMAICA AND JAMAICAN LIFE

What people from other countries should know about Jamaica is that...

Jamaica is a beautiful country with a lot of places to visit and enjoy themselves and that the people are friendly.

Here is what I think about people who visit Jamaica... that some are friendly and some aren't, and that some of them will shop and go the beach, while some just sit in their hotel room all day. But some visitors are very nice.

What are some of the ways that Jamaican children can earn money for themselves or their families?

By selling yam and banana or selling oranges or by cleaning windows.

Have you ever worked to earn some cash? What kinds of work have you done?

I've beaded t-shirts and going on errands.

How do the people that you live with earn money? Please describe all of the different kinds of work (even small jobs) that each person does.

Bead t-shirts, sell craft, clothing, wood work and do hair dressing.

PART IV - TIME FOR SOME ARTWORK!

On the next two pages, you will be asked to do some drawings.

Before you begin to draw each picture, please close your eyes and see if you can imagine a "scene" or a view. Then draw a picture that shows what you saw in your mind.

The picture does not have to be fancy. Just draw a quick sketch with your pencil and then color it in with your crayons.

If you would like to "explain" your drawing, use the "comments" area on the right side of each page. Be sure to borrow crayons from your classmates if you don't have all of the colors you need. Have Fun!

If you would like to explain your drawing, use this space.

No. 1 shows a lady in a bubble top.

No. 2 shows a little girl from Canada.

No. 3 shows a very fat man in a Hawaiian print suit.

Draw a picture of some visitors who have come to Jamaica from far away.

Do you want to make any comments about this drawing?

Draw a map that shows Jamaica. It can be any kind of map as long as it includes Jamaica.

Your comments:

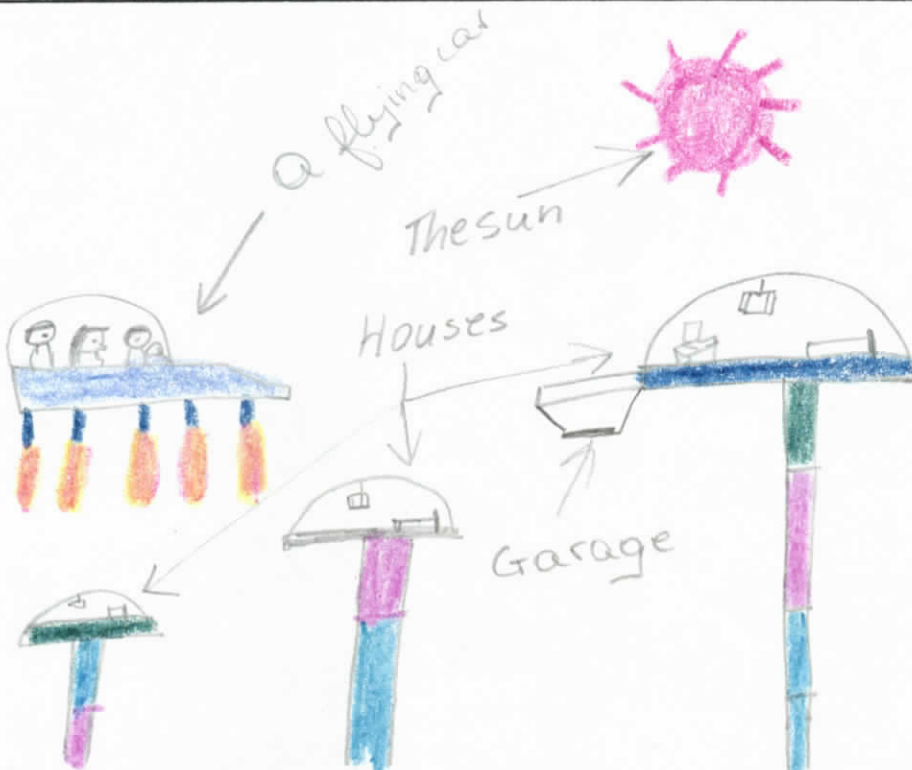

A slave-driver
beating a slave

What was life like for Jamaican people 200 years ago?
Close your eyes and see if you can imagine a scene
from the year 1786.

Your comments:

A flying car
flying to a nearby
house.

For this one, you can really let your imagination
run wild! What do you think Jamaican life will be
like 200 years from now? Please explain your
drawing in the "comments" area. You may even want
to label the parts of your drawing.
