PART II - SOME INFORMATION ABOUT JAMAICA AND JAMAICAN LIFE

What people from other countries should know about Jamaica is that... It is a land of green trees and fields all around.

Here is what I think about people who visit Jamaica... they are very polite and friendly they also speak like intelligent people.

What are some of the ways that Jamaican children can earn money for themselves or their families? like helping the old people across the street also washing and cooking for them. and taking care of them and keeping them clean.

Have you ever worked to earn some cash? What kinds of work have you done?

I sweep the yard for the people who have plenty of work to do. Carry water for the weak and the old.

How do the people that you live with earn money? Please describe all of the different kinds of work (even small jobs) that each person does.

DO NOT USE NAMES - instead, say "my cousin..." or "my older sister..." my mother was working in a hotel at [REDACTED] but she lost her job and she got a small job just to support her family
