PART IV - TIME FOR SOME ARTWORK!

On the next two pages, you will be asked to do some drawings. Before you begin to draw each picture, please close your eyes and see if you can imagine a "scene" or a view. Then draw a picture that shows what you saw in your mind.

The picture does not have to be fancy. Just draw a quick sketch with your pencil and then color it in with your crayons.

If you would like to "explain" your drawing, use the "comments" area on the the right side of each page. Be sure to borrow crayons from your classmates if you don't have all of the colors you need. Have Fun!

If you would like to explain your drawing, use this space.

Draw a picture of some visitors who have come to Jamaica from far away.

Do you want to make any comments about this drawing?

Draw a map that shows Jamaica. It can be any kind of map as long as it includes Jamaica.

Your comments:

This year in 1786
 they were slave
 in Jamaica and
 this now they
 treat them.

What was life like for Jamaican people 200 years ago?
 Close your eyes and see if you can imagine a scene
 from the year 1786.

Your comments:

This is a
 star and a
 space shuttle.

For this one, you can really let your imagination
 run wild! What do you think Jamaican life will be
 like 200 years from now? Please explain your
 drawing in the "comments" area. You may even want
 to label the parts of your drawing.
