PART IV - TIME FOR SOME ARTWORK!

On the next two pages, you will be asked to do some drawings. Before you begin to draw each picture, please close your eyes and see if you can imagine a "scene" or a view. Then draw a picture that shows what you saw in your mind.

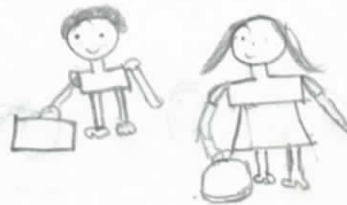

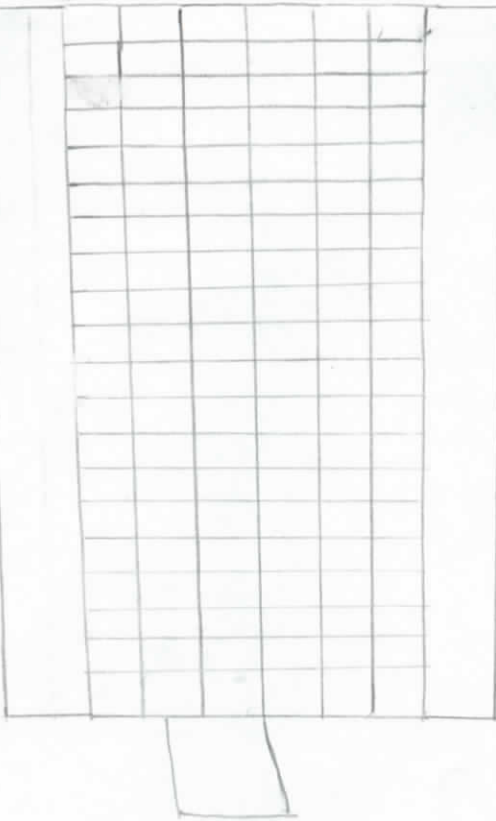

The picture does not have to be fancy. Just draw a quick sketch with your pencil and then color it in with your crayons.

If you would like to "explain" your drawing, use the "comments" area on the the right side of each page. Be sure to borrow crayons from your classmates if you don't have all of the colors you need. Have Fun!

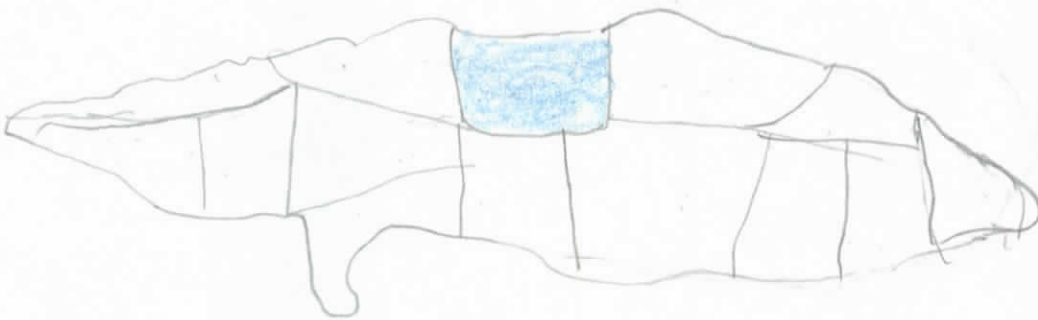

If you would like to explain your drawing, use this space.

Draw a picture of some visitors who have come to Jamaica from far away.

Do you want to make any comments about this drawing?

They are the
swingers

What was life like for Jamaican people 200 years ago?

from the year 1786.

Your comments:

I think we would
not have to buy

For this one, you can really let your imagination
run wild! What do you think Jamaican life will be
like 200 years from now? Please explain your
drawing in the "comments" area. You may even want
to label the parts of your drawing.
