PART II - SOME INFORMATION ABOUT JAMAICA AND JAMAICAN LIFE

What people from other countries should know about Jamaica is that, when they are coming to Jamaica they should know <sup>certain</sup> seven people or probably before they fly come to Jamaica, because any and anything can happen to them. They should know seven people because <sup>P.T.O</sup> here is what I think about people who visit Jamaica... People who is always visit Jamaica is Canadian, American, China and the tourists not most of the time anyway. <sup>here?</sup>

What are some of the ways that Jamaican children can earn money for themselves or their families? If they get a job to do, and they give the money for they pay! That's the way they can earn money ~~at~~ bank and earn it back.

Have you ever worked to earn some cash? <sup>yes</sup> What kinds of work have you done?

One day my neighbour was <sup>yes</sup> had she gave me some work to do like wash up some dishes on so on and when I finished everything she gave me some money.

How do the people that you live with earn money? Please describe all of the different kinds of work (even small jobs) that each person does. DO NOT USE NAMES - instead, say "my cousin..." or "my older sister..."

My friend got a very small job and every week end she gets fifty dollars she bank in until it reach one thousand and add dollars. And after word she earn it from the bank and buy a big house and have her children there.

PART IV - TIME FOR SOME ARTWORK!

On the next two pages, you will be asked to do some drawings. Before you begin to draw each picture, please close your eyes and see if you can imagine a "scene" or a view. Then draw a picture that shows what you saw in your mind.

The picture does not have to be fancy. Just draw a quick sketch with your pencil and then color it in with your crayons.

If you would like to "explain" your drawing, use the "comments" area on the the right side of each page. Be sure to borrow crayons from your classmates if you don't have all of the colors you need. Have Fun!

If you would like to explain your drawing, use this space.

Draw a picture of some visitors who have come to Jamaica from far away.

Do you want to make any comments about this drawing?

Draw a map that shows Jamaica. It can be any kind of map as long as it includes Jamaica.

Your comments:

What was life like for Jamaican people 200 years ago?  
 Close your eyes and see if you can imagine a scene  
 from the year 1786.

Your comments:  
 fighting and  
 war is going to  
 happen in  
 those days.

For this one, you can really let your imagination  
 run wild! What do you think Jamaican life will be  
 like 200 years from now? Please explain your  
 drawing in the "comments" area. You may even want  
 to lable the parts of your drawing.
