How do the people that you live with earn money? Please describe all of the different kinds of work (even small jobs) that each person does. DO NOT USE NAMES - instead, say "my cousin..." or "my older sister..."

PART IV - TIME FOR SOME ARTWORK!

On the next two pages, you will be asked to do some drawings. Before you begin to draw each picture, please close your eyes and see if you can imagine a "scene" or a view. Then draw a picture that shows what you saw in your mind.

The picture does not have to be fancy. Just draw a quick sketch with your pencil and then color it in with your crayons.

If you would like to "explain" your drawing, use the "comments" area on the the right side of each page. Be sure to borrow crayons from your classmates if you don't have all of the colors you need. Have Fun!

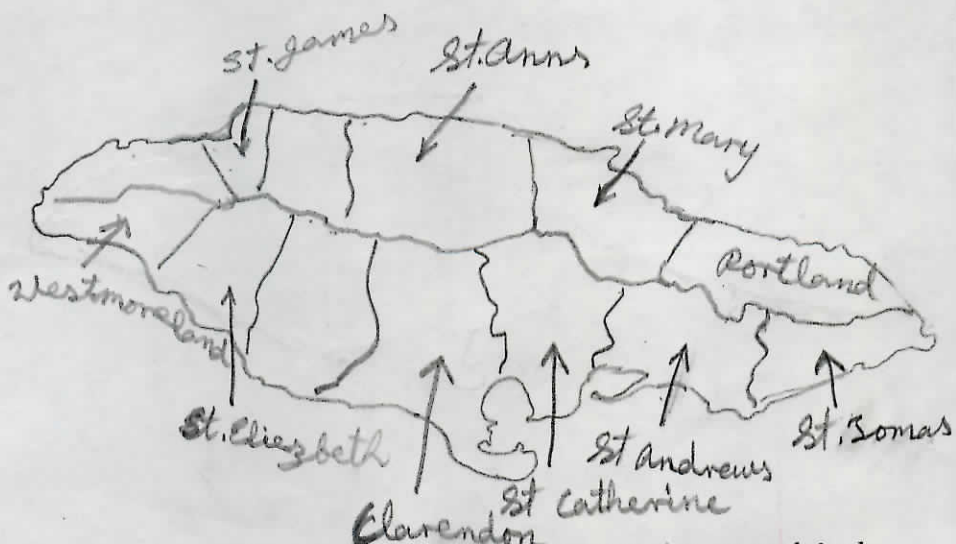

If you would like to explain your drawing, use this space.

This is a drawing of a lady and her son looking for a hotel.

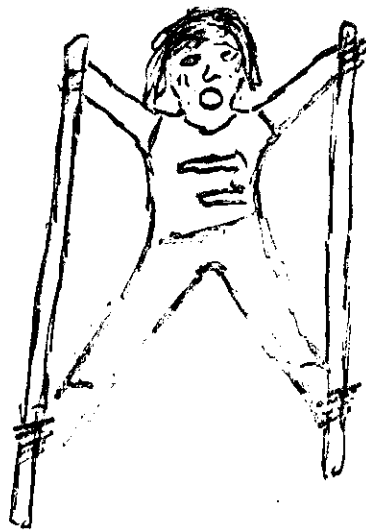

Draw a picture of some visitors who have come to Jamaica from far away.

Do you want to make any comments about this drawing?

This map is Jamaica. It has only some of the parishes in it.

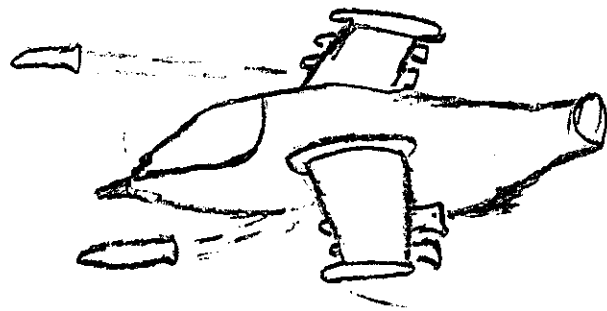

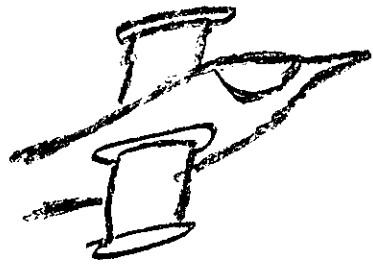

Draw a map that shows Jamaica. It can be any kind of map as long as it includes Jamaica.

Your comments:

The man is beating this man because he tried to run away from the farm. The man they are beating is a slave

What was life like for Jamaican people 200 years ago? Close your eyes and see if you can imagine a scene from the year 1786.

Your comments:

a space ship is attacking another space ship there is a war going on.

For this one, you can really let your imagination run wild! What do you think Jamaican life will be like 200 years from now? Please explain your drawing in the "comments" area. You may even want to label the parts of your drawing.
