PART IV - TIME FOR SOME ARTWORK!

On the next two pages, you will be asked to do some drawings. Before you begin to draw each picture, please close your eyes and see if you can imagine a "scene" or a view. Then draw a picture that shows what you saw in your mind.

The picture does not have to be fancy. Just draw a quick sketch with your pencil and then color it in with your crayons.

If you would like to "explain" your drawing, use the "comments" area on the the right side of each page. Be sure to borrow crayons from your classmates if you don't have all of the colors you need. Have Fun!

If you would like to explain your drawing, use this space.

*This is a picture of two tourists crossing the road*

Draw a picture of some visitors who have come to Jamaica from far away.

Do you want to make any comments about this drawing?

Draw a map that shows Jamaica. It can be any kind of map as long as it includes Jamaica.

200 years ago there was slavery in Jamaica.

Your comments:

200 years ago I wouldn't have all the money I needed, I wouldn't get to go to school, I wouldn't get all the food I wanted, I wouldn't get to play, I wouldn't get to watch television, I wouldn't get to do things of my own free will.

What was life like for Jamaican people 200 years ago? Close your eyes and see if you can imagine a scene from the year 1786.

Your comments:

This is a picture of sunset on the beach. The sun is going down behind the clouds and the sky has many beautiful colours. Everybody has gone home from off the beach and it is very quiet a peaceful.

For this one, you can really let your imagination run wild! What do you think Jamaican life will be like 200 years from now? Please explain your drawing in the "comments" area. You may even want to label the parts of your drawing.
