

PART I - SOME INFORMATION ABOUT ME

I am a 11 year old boy/girl (circle one).

I live in the district of [REDACTED], which is near/in (circle one) the town of [REDACTED]. I travel 2 miles to school each day.

When I am not in school, I spend my time doing these things...

[Please list as many kinds of activities as you can. Use the back of this sheet if you need more writing space.]

When I am not in school I do sewing, read books, washing, cooking, swimming, studying, exercise, playing, dancing, watch T.V., singing

The things I most enjoy doing are dancing, playing, shopping, running, cooking, singing, travelling

The things I least enjoy doing are fighting, jumping, skipping, shouting.

When I grow up, I am going to visit other countries like England, America, and Canada

Someone I really admire is my mother. I admire this person because she is loving and kind

If I had a lot of money, I probably would save some or give some to help people or the poor.

PART II - SOME INFORMATION ABOUT JAMAICA AND JAMAICAN LIFE

What people from other countries should know about Jamaica is that it is beautiful. It has many buildings and lovely green hills. It also has the blue sea surround us and the people are very friendly. Here is what I think about people who visit Jamaica... They are kind and they are the one who bring foreign currency. They also enjoy our weather too.

What are some of the ways that Jamaican children can earn money for themselves or their families? They can make things and sell them to other people. or they can sell sea shells to the tourist. They also can sing and make money. They can even sell bottles to the shop keepers. Have you ever worked to earn some cash? What kinds of work have you done?

yes, I sell oranges, ice creams and vegetables

How do the people that you live with earn money? Please describe all of the different kinds of work (even small jobs) that each person does. DO NOT USE NAMES - instead, say "my cousin..." or "my older sister..."

They can do farming and sell them to people. my older sister do domestic work. my cousin is a cashier, and my aunt do nursing.

PART IV - TIME FOR SOME ARTWORK!

On the next two pages, you will be asked to do some drawings. Before you begin to draw each picture, please close your eyes and see if you can imagine a "scene" or a view. Then draw a picture that shows what you saw in your mind.

The picture does not have to be fancy. Just draw a quick sketch with your pencil and then color it in with your crayons.

If you would like to "explain" your drawing, use the "comments" area on the the right side of each page. Be sure to borrow crayons from your classmates if you don't have all of the colors you need. Have Fun!

If you would like to explain your drawing, use this space.
