PART II - SOME INFORMATION ABOUT JAMAICA AND JAMAICAN LIFE

What people from other countries should know about Jamaica is that *it is most beautiful, enjoyable, and very independent. The people are friendly, nice, and loving.*

Here is what I think about people who visit Jamaica. *They are friendly, they bring in foreign currency to help the Jamaicans get their pay to be increased.*

What are some of the ways that Jamaican children can earn money for themselves or their families? *They can get jobs in Super markets, stores, selling, baking, or they can do art and craft and sell them to the tourists.*

Have you ever worked to earn some cash? *yes* What kinds of work have you done? *We go on errands for people or carry groceries, pick fruits and sell things.*

How do the people that you live with earn money? Please describe all of the different kinds of work (even small jobs) that each person does. DO NOT USE NAMES - instead, say "my cousin..." or "my older sister..."
My mother is a domestic worker, my uncle plants fruits and exports them to other countries.
