I am a ten year old boy/girl (circle one).

I live in the district of [redacted], which is near/in (circle one) the town of [redacted]. I travel 1 1/4 miles to school each day.

When I am not in school, I spend my time doing these things...
[Please list as many kinds of activities as you can. Use the back of this sheet if you need more writing space.]

I play bat and ball, play dandy shandy, when I am frisket, go and wash the dishes, clean the house, and sew and then I go to the beach and have a nice time, when I come back I cook the dinner and I sweep the yard and then I go and study. Because I am a common Entrance child.

The things I most enjoy doing are...

Reading stories, writing and cooking the dinner.

The things I least enjoy doing are...

going to the post office and some times playing.

When I grow up, I am going to...

be a nurse, visit other countries.

Someone I really admire is Navia. I admire this person because...

she is very kind to me and she helps new student when they first came. sometimes she is very unfair but I like her all the same. Other's like her too but I like her best of all.

If I had a lot of money, I probably would...

built a house and tour and go to my friends and invite them to my new home, we would go to bank and put half of the money in the bank then I would come back and give some to my father and go to Ocho Rios and go to the Restaurant and give some to the poor people and children.

PART II - SOME INFORMATION ABOUT JAMAICA AND JAMAICAN LIFE

What people from other countries should know about Jamaica is that ^{this is it}

is a Beautiful place with many people green hills and high mountains. we have our national heroes and the flower and the national dish. The Jamaicans are warm and friendly people.

Here is what I think about people who visit Jamaica...

They are friendly and they give money to the poor and they bring in money to our country.

What are some of the ways that Jamaican children can earn money for themselves or their families?

we can go and work in a shop and help the farmer to feed the cow, the dog and the pigs and they will get a lot of money and we can make toys and sell them.

Have you ever worked to earn some cash? What kinds of work have you done?

yes, I go out on Bronies and I work in schools, in shops and in Restaurant.

How do the people that you live with earn money? Please describe all of the different kinds of work (even small jobs) that each person does.

DO NOT USE NAMES - instead, say "my cousin..." or "my older sister..."

my father is a shop keeper and he earn a lot of money some times I go in the shop and I sell and I eat out his sweets and he say I must come out.

This drawing is showing many countries and the caribbean sea is all around Jamaica.

Draw a map that shows Jamaica. It can be any kind of map as long as it includes Jamaica.

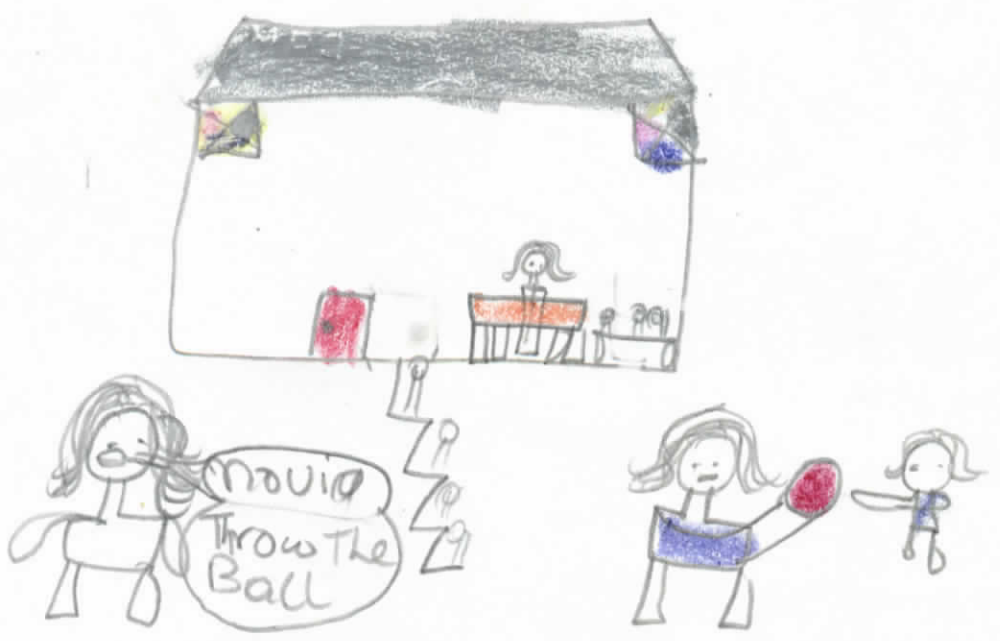

Your comments:

What was life like for Jamaican people 200 years ago? Close your eyes and see if you can imagine a scene from the year 1786.

This is what happend long ago. But we are happy that it is not like long ago. The slave master is beating the people to work and they are running away even most of them died out.

Your comments:

For this one, you can really let your imagination run wild! What do you think Jamaican life will be like 200 years from now? Please explain your drawing in the "comments" area. You may even want to lable the parts of your drawing.
