

PART I - SOME INFORMATION ABOUT ME

I am a 12 year old boy/~~girl~~ (circle one).

I live in the district of [redacted] which is near/in (circle one) the town of [redacted]. I travel 1/2 miles to school each day.

When I am not in school, I spend my time doing these things...
[Please list as many kinds of activities as you can. Use the back of this sheet if you need more writing space.]

When I am not in school I play baseball or read. Every day I go to sea with my friends. I help my mother with the dishes and clean the floor comb my hair.

The things I most enjoy doing are... playing ball.

The things I least enjoy doing are... talking when some one is talking.

When I grow up, I am going to... be a teacher, visit other countries like America and Canada, India and other countries.

Someone I really admire is Mother. I admire this person because... she is so dear to me. If I ask her for a dollar she will give it to me.

If I had a lot of money, I probably would... I will bank some, buy a car and I buy a piece of land to plant my food.
