PART II - SOME INFORMATION ABOUT JAMAICA AND JAMAICAN LIFE

What people from other countries should know about Jamaica is that *it is*

*an island surrounded by the Caribbean sea. It has a lot of green valleys and mountains. It is an independent country, and it is one of the Caribbean Islands.*

Here is what I think about people who visit Jamaica...

*They don't want to leave it because it is a very nice country. It is warm, sunny and bright.*

What are some of the ways that Jamaican children can earn money for themselves or their families?

*make straw hats and logs to sell, go out and entertain them*

Have you ever worked to earn some cash? What kinds of work have you done?

*yes. I sell guineps, cut the yard, work on Brownies projects and work with my father*

How do the people that you live with earn money? Please describe all of the different kinds of work (even small jobs) that each person does.

DO NOT USE NAMES - instead, say "my cousin..." or "my older sister..."

*my older sister work in a super market, my mother work in a super market too. And my father make furniture.*

PART IV - TIME FOR SOME ARTWORK!

On the next two pages, you will be asked to do some drawings.

Before you begin to draw each picture, please close your eyes and see if you can imagine a "scene" or a view. Then draw a picture that shows what you saw in your mind.

The picture does not have to be fancy. Just draw a quick sketch with your pencil and then color it in with your crayons.

If you would like to "explain" your drawing, use the "comments" area on the the right side of each page. Be sure to borrow crayons from your classmates if you don't have all of the colors you need. Have Fun!

If you would like to explain your drawing, use this space.
