

PART I - SOME INFORMATION ABOUT ME

I am a 11 year old boy/girl (circle one).

I live in the district of [redacted] which is near/in (circle one) the town of [redacted]. I travel 3/4 miles to school each day.

When I am not in school, I spend my time doing these things... [Please list as many kinds of activities as you can. Use the back of this sheet if you need more writing space.]

playing, studying, washing dishes, clean the floor, go to the bushes, washing my hair, clean my skin, comb my hair, and weeding the garden.  
The things I most enjoy doing are... studying and playing the bushes.

The things I least enjoy doing are... weeding the garden, going to the bushes.

When I grow up, I am going to... be an air hostess - go about and give people information.

Someone I really admire is My Aunt. I admire this person because... she is very generous.

If I had a lot of money, I probably would... Help people who can't go around as they want to.

PART II - SOME INFORMATION ABOUT JAMAICA AND JAMAICAN LIFE

What people from other countries should know about Jamaica is that... *It is a wonderful Island and it has beautiful water falls*

Here is what I think about people who visit Jamaica...

*I think that visitors who come to Jamaica all ways like to come back.*

What are some of the ways that Jamaican children can earn money for themselves or their families?

*Some of the ways are that children from Jamaica would work on farms or may be do a little domestic work.*

Have you ever worked to earn some cash? What kinds of work have you done?

How do the people that you live with earn money? Please describe all of the different kinds of work (even small jobs) that each person does. DO NOT USE NAMES - instead, say "my cousin..." or "my older sister..."

*My cousin does the domestic work to earn a little money.*

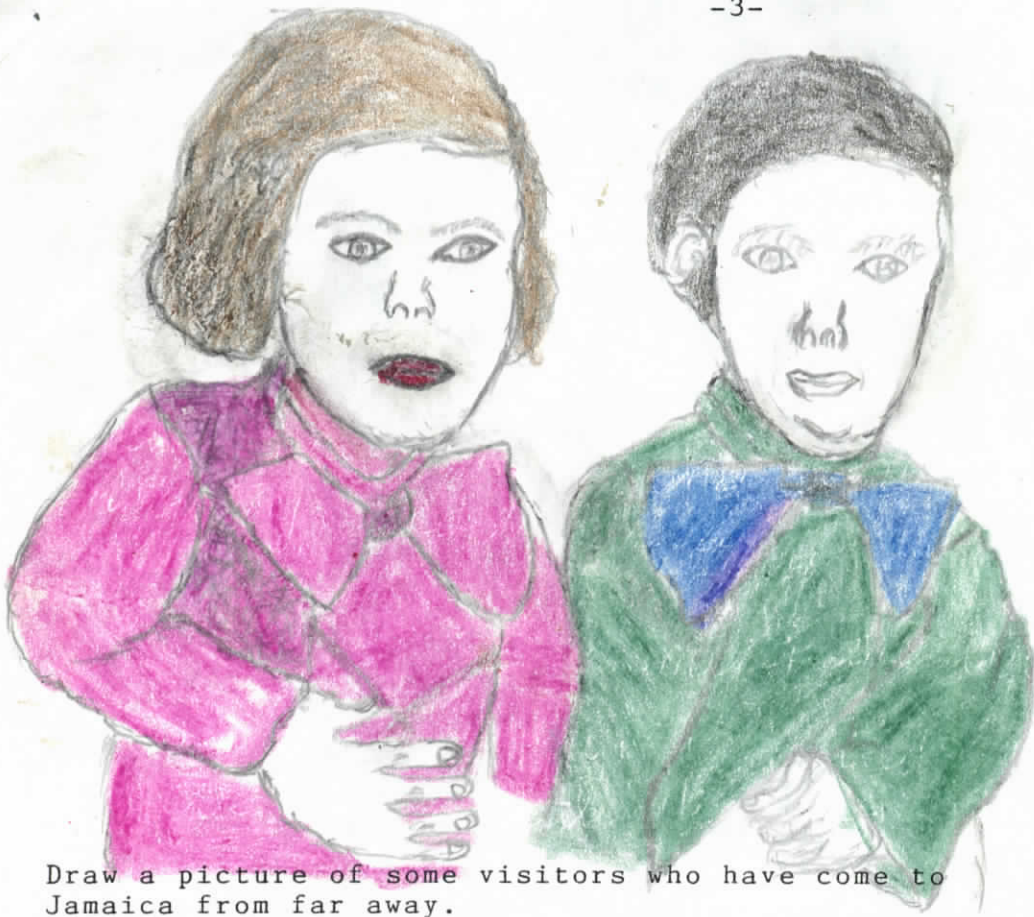

PART IV - TIME FOR SOME ARTWORK!

On the next two pages, you will be asked to do some drawings. Before you begin to draw each picture, please close your eyes and see if you can imagine a "scene" or a view. Then draw a picture that shows what you saw in your mind.

The picture does not have to be fancy. Just draw a quick sketch with your pencil and then color it in with your crayons.

If you would like to "explain" your drawing, use the "comments" area on the the right side of each page. Be sure to borrow crayons from your classmates if you don't have all of the colors you need. Have Fun!

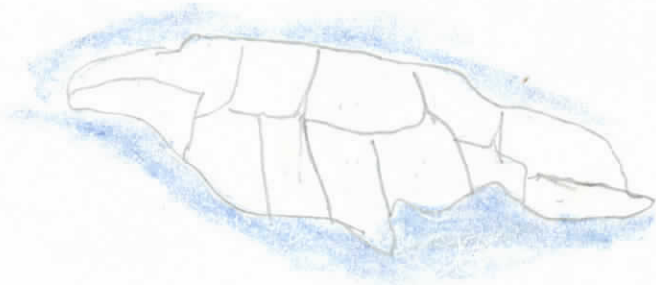

If you would like to explain your drawing, use this space.

Draw a picture of some visitors who have come to Jamaica from far away.

These are visitors who came to Jamaica on a visit. They all like Jamaica and they are going to the movies now.

MC12

Draw a map that shows Jamaica. It can be any kind of map as long as it includes Jamaica.

Do you want to make any comments about this drawing?

I guess that Jamaica is a very little island but it is beautiful.

Your comments:

What was life like for Jamaican people 200 years ago? Close your eyes and see if you can imagine a scene from the year 1786.

This is what I think it was like 200 years ago. As that no body would trouble any body but they would only go where they were going.

For this one, you can really let your imagination run wild! What do you think Jamaican life will be like 200 years from now? Please explain your drawing in the "comments" area. You may even want to label the parts of your drawing.

Your comments:

My comments are that I think more people are going to come to earth 200 years from now to fight against war at earth.
