

PART I - SOME INFORMATION ABOUT ME

I am a ten year old boy/girl (circle one).

I live in the district of [redacted] which is near/in (circle one) the town of [redacted]. I travel four miles to school each day.

When I am not in school, I spend my time doing these things...  
[Please list as many kinds of activities as you can. Use the back of this sheet if you need more writing space.]

Cricket playing and going to the field. baseball, pick oranges and plums.

The things I most enjoy doing are... playing baseball and cricket.

The things I least enjoy doing are... playing and going to the field.

When I grow up, I am going to... be a nurse. I would like to get my training in America and work there for a couple of years.

Someone I really admire is my friend. I admire this person because of her kindness. She is polite, pleasant, tidy and clean and most of all she is a christian girl.

If I had a lot of money, I probably would put it in a bank.

PART IV - TIME FOR SOME ARTWORK!

On the next two pages, you will be asked to do some drawings. Before you begin to draw each picture, please close your eyes and see if you can imagine a "scene" or a view. Then draw a picture that shows what you saw in your mind.

The picture does not have to be fancy. Just draw a quick sketch with your pencil and then color it in with your crayons.

If you would like to "explain" your drawing, use the "comments" area on the the right side of each page. Be sure to borrow crayons from your classmates if you don't have all of the colors you need. Have Fun!

If you would like to explain your drawing, use this space.

Draw a picture of some visitors who have come to Jamaica from far away.

Do you want to make any comments about this drawing?

Draw a map that shows Jamaica. It can be any kind of map as long as it includes Jamaica.

Your comments:

What was life like for Jamaican people 200 years ago?  
Close your eyes and see if you can imagine a scene  
from the year 1786.

Your comments:

For this one, you can really let your imagination  
run wild! What do you think Jamaican life will be  
like 200 years from now? Please explain your  
drawing in the "comments" area. You may even want  
to label the parts of your drawing.
