

PART I - SOME INFORMATION ABOUT ME

I am a 11 year old boy/girl (circle one).

I live in the district of _____, which is near/in (circle one) the town of _____. I travel 2 miles to school each day.

When I am not in school, I spend my time doing these things...
[Please list as many kinds of activities as you can. Use the back of this sheet if you need more writing space.]
sweep the yard, wash the dishes, tie the goat, go shopping, tease the dogs,

The things I most enjoy doing are... playing, go shopping

The things I least enjoy doing are... sweeping, washing and cleaning.

When I grow up, I am going to... be an air hostess. I am going to have a bus to carry my people to tour.

Someone I really admire is my friend. I admire this person because... she is so kind to me. When I do not have any money she will give me a fifteen-cent or more.

If I had a lot of money, I probably would... give my mother and my father it.

PART II - SOME INFORMATION ABOUT JAMAICA AND JAMAICAN LIFE

What people from other countries should know about Jamaica is that... *It is very beautiful and it has a lot of water.*

Here is what I think about people who visit Jamaica... *They like the beautiful sea, our hotel and our hearty spot.*

What are some of the ways that Jamaican children can earn money for themselves or their families?

They help people to wash their cars and weed bushes for them.

Have you ever worked to earn some cash? What kinds of work have you done?

no

How do the people that you live with earn money? Please describe all of the different kinds of work (even small jobs) that each person does. DO NOT USE NAMES - instead, say "my cousin..." or "my older sister..."

Well, sometimes my mother works at the store.

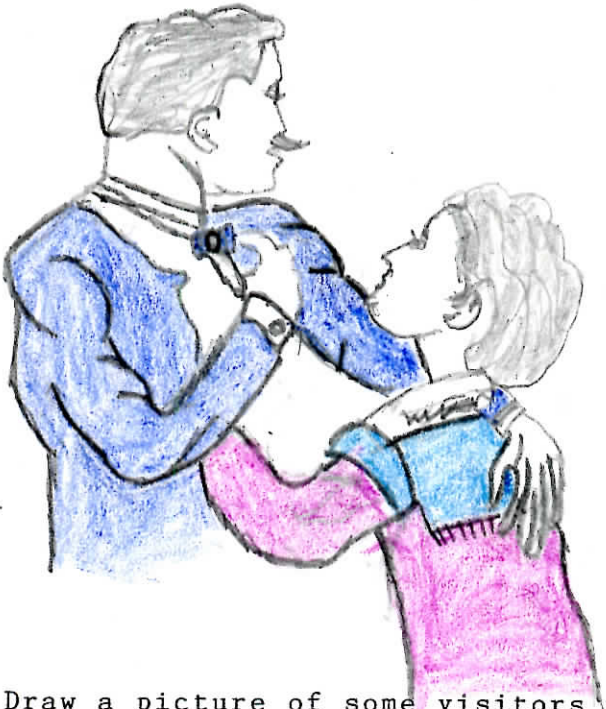

PART IV - TIME FOR SOME ARTWORK!

On the next two pages, you will be asked to do some drawings. Before you begin to draw each picture, please close your eyes and see if you can imagine a "scene" or a view. Then draw a picture that shows what you saw in your mind.

The picture does not have to be fancy. Just draw a quick sketch with your pencil and then color it in with your crayons.

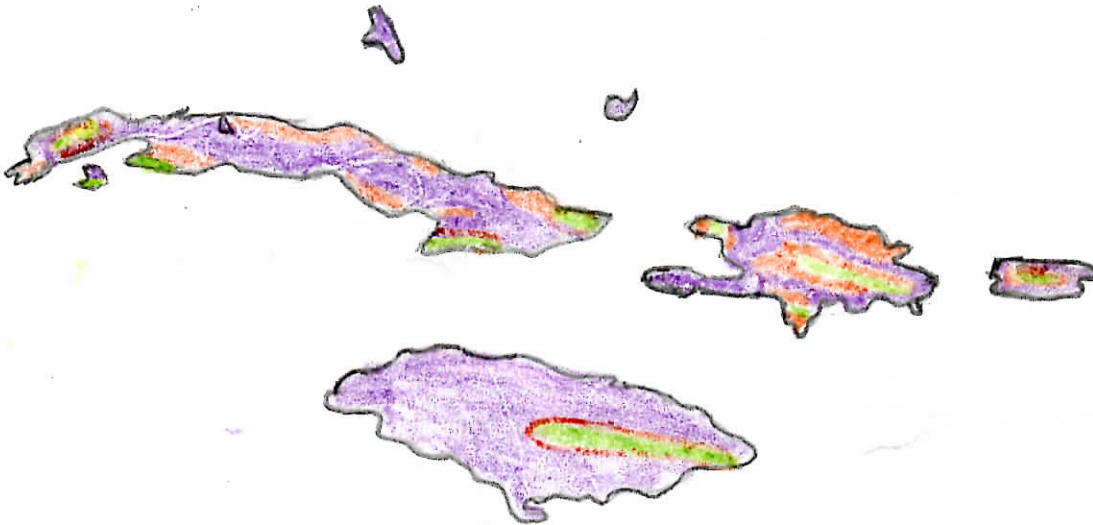

If you would like to "explain" your drawing, use the "comments" area on the the right side of each page. Be sure to borrow crayons from your classmates if you don't have all of the colors you need. Have Fun!

If you would like to explain your drawing, use this space.

Draw a picture of some visitors who have come to Jamaica from far away.

Do you want to make any comments about this drawing?

Draw a map that shows Jamaica. It can be any kind of map as long as it includes Jamaica.

Your comments:

Farmers cutting bananas to be shipped.

What was life like for Jamaican people 200 years ago? Close your eyes and see if you can imagine a scene from the year 1786.

Your comments:

I believe jamaican man will go up to jupiter fight the people there and capture jupiter. They will be easily defeated as they have only enby one leg.

For this one, you can really let your imagination run wild! What do you think Jamaican life will be like 200 years from now? Please explain your drawing in the "comments" area. You may even want to label the parts of your drawing.
