

PART I - SOME INFORMATION ABOUT ME

I am a 11 year old boy/girl (circle one).

I live in the district of [redacted], which is near/in (circle one) the town of [redacted]. I travel 2 1/2 miles to school each day.

When I am not in school, I spend my time doing these things...
[Please list as many kinds of activities as you can. Use the back of this sheet if you need more writing space.]

clean the floor, read books, sometimes I read a book about being a doctor, but I like

The things I most enjoy doing are...

and to play Domino

The things I least enjoy doing are... *to clean the floor*

When I grow up, I am going to...

and to work in the theatre. Mainly because, I want to see what it is like in a husband's body. And to help the sick people in Jamaica.

Someone I really admire is foreigners. I admire this person because...

they are different and they are very friendly.

If I had a lot of money, I probably would...

buy a car and I would take the best and buy a house and I would buy a lot of things.

PART II - SOME INFORMATION ABOUT JAMAICA AND JAMAICAN LIFE

What people from other countries should know about Jamaica is that...

...the beautiful trees and banana trees.

Here is what I think about people who visit Jamaica...

They can make a lot of money.

What are some of the ways that Jamaican children can earn money for themselves or their families?

by making things like wood, paper, paint then selling them to the shops and they can make a lot of money.

Have you ever worked to earn some cash? What kinds of work have you done?

I went to a house and they asked me to wash dishes and to mop out the floor. And they paid.

How do the people that you live with earn money? Please describe all of the different kinds of work (even small jobs) that each person does. DO NOT USE NAMES - instead, say "my cousin..." or "my older sister..."

My older sister works in a house and she makes a lot of money. My cousin works in a shop and he makes a lot of money.

PART IV - TIME FOR SOME ARTWORK!

On the next two pages, you will be asked to do some drawings. Before you begin to draw each picture, please close your eyes and see if you can imagine a "scene" or a view. Then draw a picture that shows what you saw in your mind.

The picture does not have to be fancy. Just draw a quick sketch with your pencil and then color it in with your crayons.

If you would like to "explain" your drawing, use the "comments" area on the the right side of each page. Be sure to borrow crayons from your classmates if you don't have all of the colors you need. Have Fun!

If you would like to explain your drawing, use this space.

Draw a picture of some visitors who have come to Jamaica from far away.

Do you want to make any comments about this drawing?

Draw a map that shows Jamaica. It can be any kind of map as long as it includes Jamaica.

Your comments:

What was life like for Jamaican people 200 years ago?
Close your eyes and see if you can imagine a scene
from the year 1786.

Your comments:

For this one, you can really let your imagination
run wild! What do you think Jamaican life will be
like 200 years from now? Please explain your
drawing in the "comments" area. You may even want
to lable the parts of your drawing.
