I am a 11 year old boy/girl (circle one).

I live in the district of [redacted] which is near/in (circle one) the town of [redacted]. I travel 1/5 of a miles to school each day.

When I am not in school, I spend my time doing these things...

[Please list as many kinds of activities as you can. Use the back of this sheet if you need more writing space.]

wash, cook, clean, play games and read books.

The things I most enjoy doing are... playing games with my sisters.

The things I least enjoy doing are... cleaning the floor, cooking the food and washing.

When I grow up, I am going to... be a hair-dresser in my life the reason why I want to be a hair-dresser is because it is a good job.

Someone I really admire is The American. I admire this person because... they are different from the Jamaicans and they have straight noses and pretty hair.

If I had a lot of money, I probably would... buy a bus and put the rest in the bank.
