PART IV - TIME FOR SOME ARTWORK!

On the next two pages, you will be asked to do some drawings. Before you begin to draw each picture, please close your eyes and see if you can imagine a "scene" or a view. Then draw a picture that shows what you saw in your mind.

The picture does not have to be fancy. Just draw a quick sketch with your pencil and then color it in with your crayons.

If you would like to "explain" your drawing, use the "comments" area on the the right side of each page. Be sure to borrow crayons from your classmates if you don't have all of the colors you need. Have Fun!

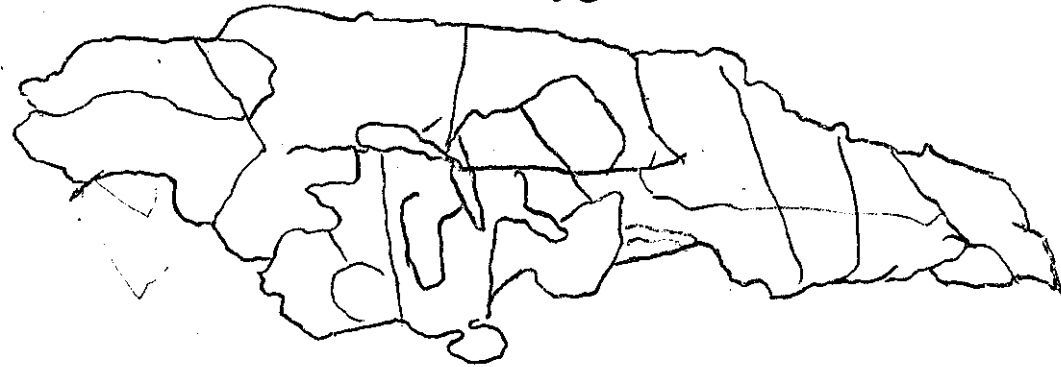

If you would like to explain your drawing, use this space.

Draw a picture of some visitors who have come to Jamaica from far away.

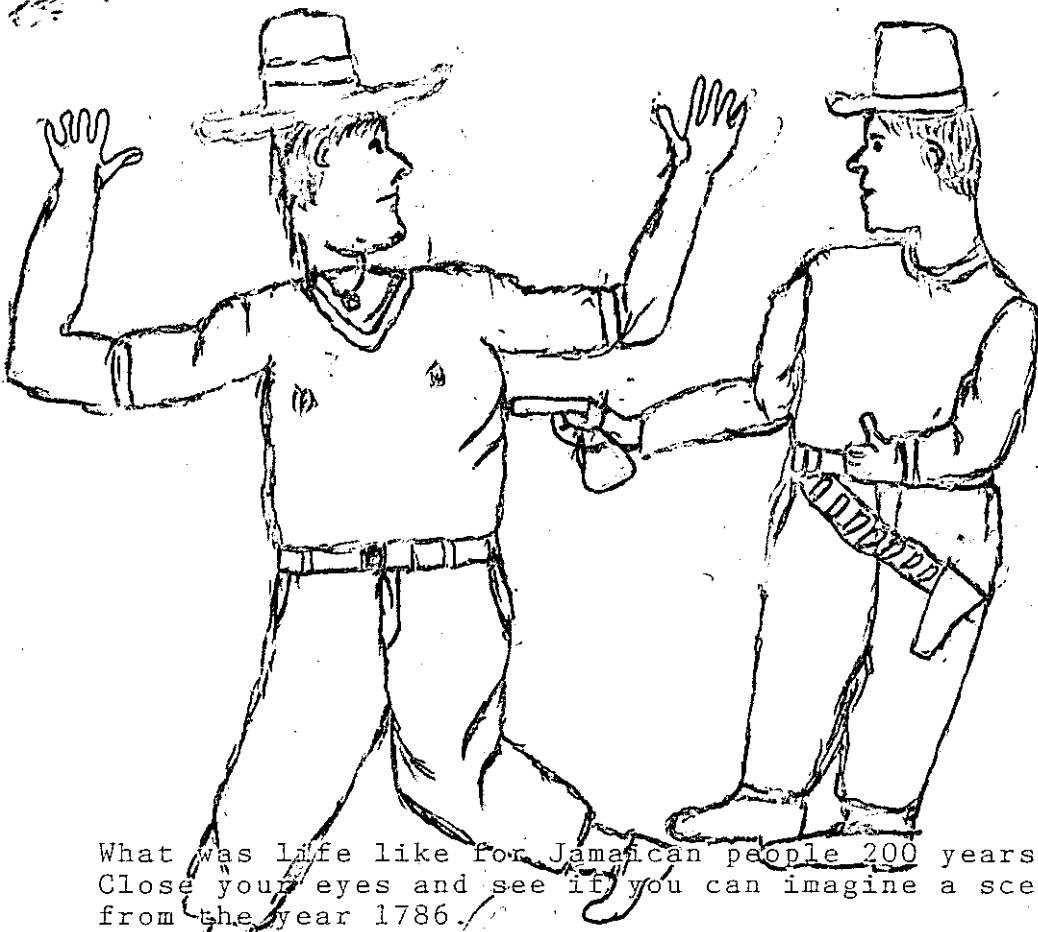

Do you want to make any comments about this drawing?

Jamaica

Draw a map that shows Jamaica. It can be any kind of map as long as it includes Jamaica.

Your comments: are

Life was danger-
ous 200 years ago
This man is
pointing a gun
on the other
man because
he stole someth-
ing and punning
off with it.

What was life like for Jamaican people 200 years ago?
Close your eyes and see if you can imagine a scene
from the year 1786.

Your comments: are

I believe 200
years from now
man and wife
will be wearing
the same style.
Notice man and
wife are wear-
ing the same
frilled skirt.

For this one, you can really let your imagination
run wild! What do you think Jamaican life will be
like 200 years from now? Please explain your
drawing in the "comments" area. You may even want
to label the parts of your drawing.
