

PART I - SOME INFORMATION ABOUT ME

I am a 11 year old boy/girl (circle one).

I live in the district of [redacted] which is near/in (circle one) the town of [redacted]. I travel 3/4 miles to school each day.

When I am not in school, I spend my time doing these things...  
[Please list as many kinds of activities as you can. Use the back of this sheet if you need more writing space.]

fishing and go to <sup>buy</sup> cricket and base ball, birds and go the shops.

The things I most enjoy doing are... cricket and football.

The things I least enjoy doing are... washing dishes, cleaning the pool and driving the car.

When I grow up, I am going to... be a shoemaker. People would have to clean off their shoes before they come to me. I would have a tidy shop and would employ two people to work with me.

Someone I really admire is My father. I admire this person because... he is very kind and good.

If I had a lot of money, I probably would... give my mother and my father.

PART II - SOME INFORMATION ABOUT JAMAICA AND JAMAICAN LIFE

What people from other countries should know about Jamaica is that...

*they know that the Caribbean sea is all around us.*

Here is what I think about people who visit Jamaica...

*They like like the beaches and our beautiful stones and our hills.*

What are some of the ways that Jamaican children can earn money for themselves or their families?

*In holidays they work in the supermarkets.*

Have you ever worked to earn some cash? What kinds of work have you done?

*No, I never work only my father and mother.*

How do the people that you live with earn money? Please describe all of the different kinds of work (even small jobs) that each person does. DO NOT USE NAMES - instead, say "my cousin..." or "my older sister..."

*They farm.*

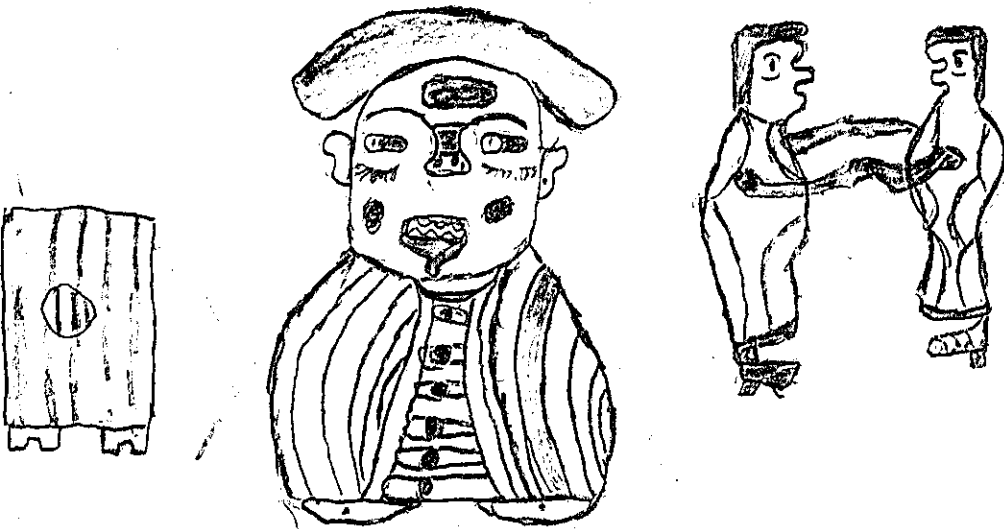

PART IV - TIME FOR SOME ARTWORK!

On the next two pages, you will be asked to do some drawings. Before you begin to draw each picture, please close your eyes and see if you can imagine a "scene" or a view. Then draw a picture that shows what you saw in your mind.

The picture does not have to be fancy. Just draw a quick sketch with your pencil and then color it in with your crayons.

If you would like to "explain" your drawing, use the "comments" area on the the right side of each page. Be sure to borrow crayons from your classmates if you don't have all of the colors you need. Have Fun!

If you would like to explain your drawing, use this space.

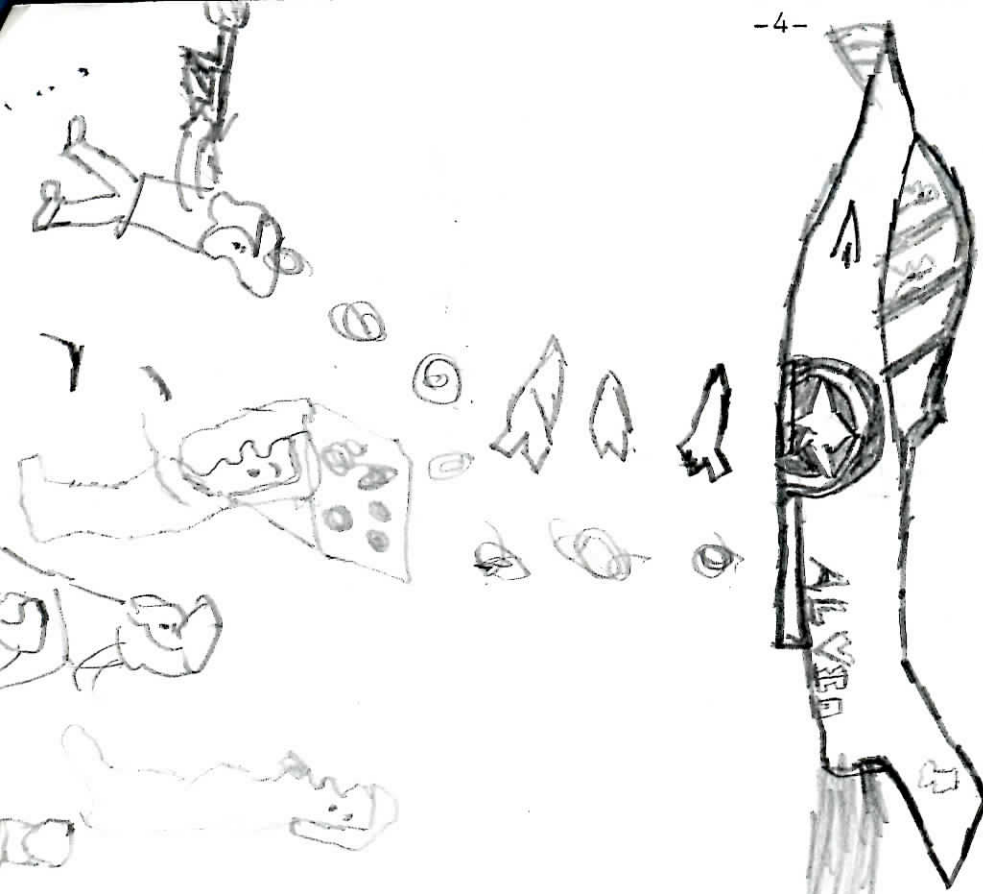

Draw a picture of some visitors who have come to Jamaica from far away.

Do you want to make any comments about this drawing?

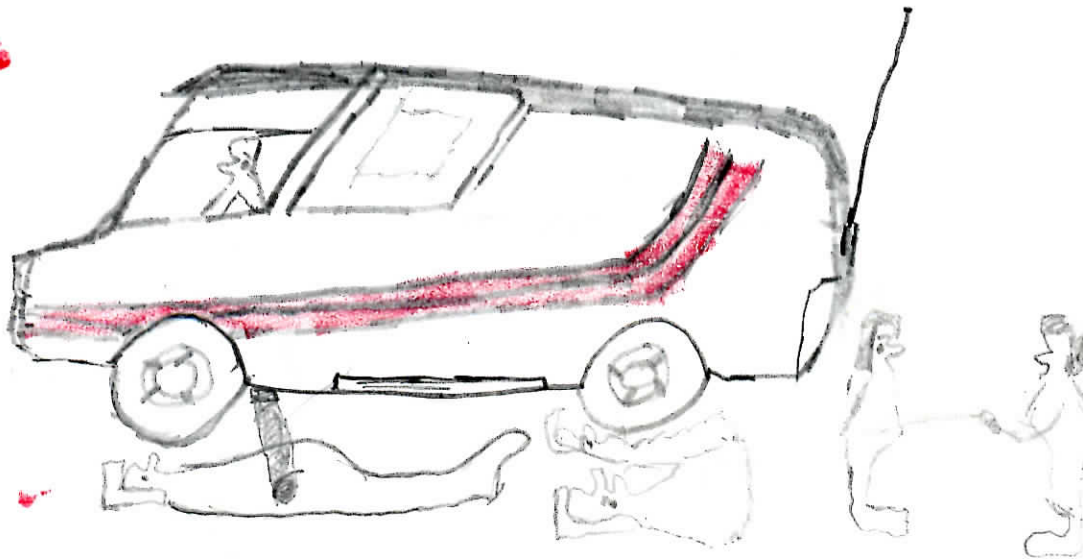

Draw a map that shows Jamaica. It can be any kind of map as long as it includes Jamaica.

Your comments:

What was life like for Jamaican people 200 years ago?  
 Close your eyes and see if you can imagine a scene  
 from the year 1786.

Your comments:

Life on the moon will be great. The cars will drive in mid air. People will enter cars from underneath.

For this one, you can really let your imagination run wild! What do you think Jamaican life will be like 200 years from now? Please explain your drawing in the "comments" area. You may even want to label the parts of your drawing.
