

PART I - SOME INFORMATION ABOUT ME

I am a eleven year old boy/girl (circle one):

I live in the district of _____, which is near in (circle one) the town of _____ . I travel three miles to school each day.

When I am not in school, I spend my time doing these things...
[Please list as many kinds of activities as you can. Use the back of this sheet if you need more writing space.] cleaning, washing, playing base ball, cooking, catching birds, feed the fowl, and climbing the tree.

The things I most enjoy doing are cleaning, washing and cooking.

The things I least enjoy doing are climbing and catching birds.
why I don't like these thing is because it is of a noisy way.

When I grow up, I am going to be a poet and write a lot of poem about animals and people and when I am laid off I would be a typist and write a lot of books.

Someone I really admire is my teacher. I admire this person because she teaches me very well.

If I had a lot of money, I probably would goto a foreign country like the United States of America.
