

PART I - SOME INFORMATION ABOUT ME

I am a 6 year old boy/girl (circle one).

I live in the district of [redacted], which is near/in (circle one) the town of [redacted]. I travel 2 1/2 miles to school each day.

When I am not in school, I spend my time doing these things...
[Please list as many kinds of activities as you can. Use the back of this sheet if you need more writing space.]

washing dishes, playing, washing clothes, cleaning, shopping, comb my hair, wash my hair, sweep the yard.

The things I most enjoy doing are... playing, sweep the yard, shopping, washing clothes.

The things I least enjoy doing are... washing dishes, comb my hair, wash my hair, cleaning.

When I grow up, I am going to... be a artist

I am going to sing songs about my country and about my people. One day one of my songs are going to be one of the top tens on RTR.

Someone I really admire is my mother. I admire this person because... she treats me well and she's neat and tidy and always in good company.

If I had a lot of money, I probably would... bank some of it or use it to buy clothes and food and also pens, pencils and books.

PART II - SOME INFORMATION ABOUT JAMAICA AND JAMAICAN LIFE

What people from other countries should know about Jamaica is that...

its temperature is alright and it is very beautiful.

Here is what I think about people who visit Jamaica...

They are polite and very enjoyable.

What are some of the ways that Jamaican children can earn money for themselves or their families?

by going to the shop for someone and that someone body will pay him for going to the shop.

Have you ever worked to earn some cash? What kinds of work have you done?

I have earn cash by fixing someone's car which was broken down and you I have earn cash already.

How do the people that you live with earn money? Please describe all of the different kinds of work (even small jobs) that each person does. DO NOT USE NAMES - instead, say "my cousin..." or "my older sister..."

only my father clean roofs and he earns his money by mixing mortar and laying it out.

PART IV - TIME FOR SOME ARTWORK!

On the next two pages, you will be asked to do some drawings. Before you begin to draw each picture, please close your eyes and see if you can imagine a "scene" or a view. Then draw a picture that shows what you saw in your mind.

The picture does not have to be fancy. Just draw a quick sketch with your pencil and then color it in with your crayons.

If you would like to "explain" your drawing, use the "comments" area on the the right side of each page. Be sure to borrow crayons from your classmates if you don't have all of the colors you need. Have Fun!

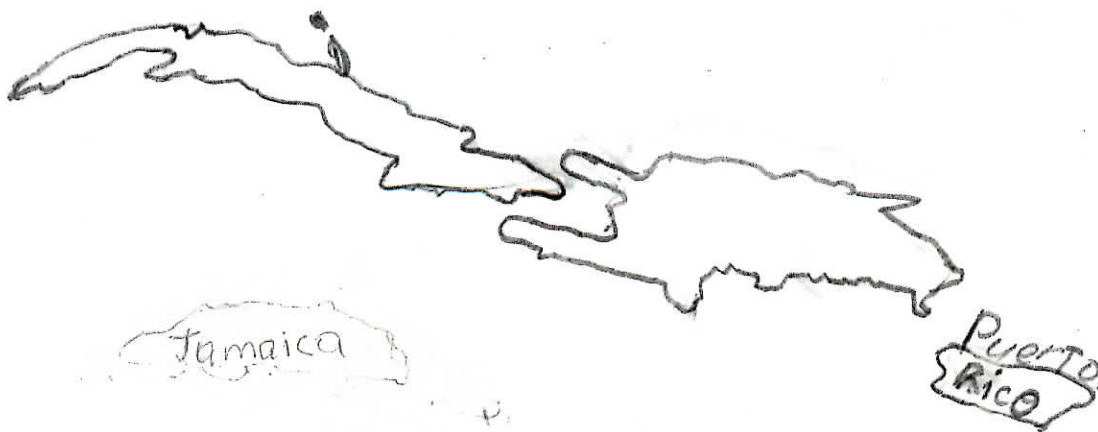

Draw a picture of some visitors who have come to Jamaica from far away.

If you would like to explain your drawing, use this space.

This is Mr. Willie. He visited our school. He is from England. He gave the children lots of joke

Do you want to make any comments about this drawing?

Draw a map that shows Jamaica. It can be any kind of map as long as it includes Jamaica.

Your comments:

What was life like for Jamaican people 200 years ago? Close your eyes and see if you can imagine a scene from the year 1786.

Your comments:

bus taking
jamaican to
moon

For this one, you can really let your imagination run wild! What do you think Jamaican life will be like 200 years from now? Please explain your drawing in the "comments" area. You may even want to label the parts of your drawing.
